<1%

of 2020 transportation fatalities were by airplane.

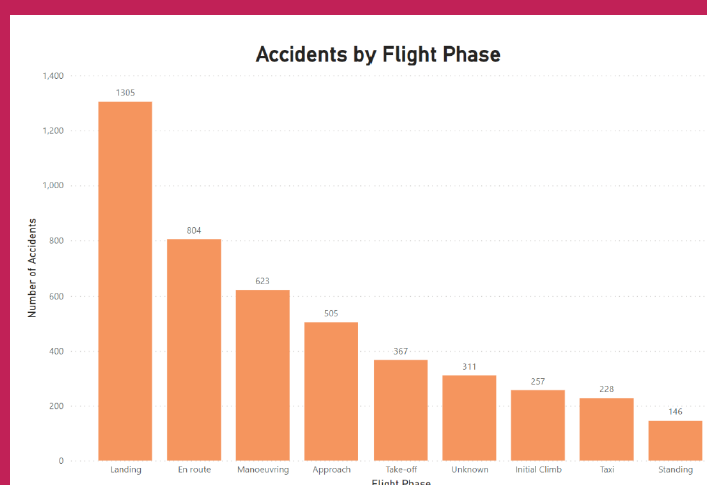

DOWNWARD TREND OF ACCIDENTS & FATALITIES

No safer time to fly in recent history!

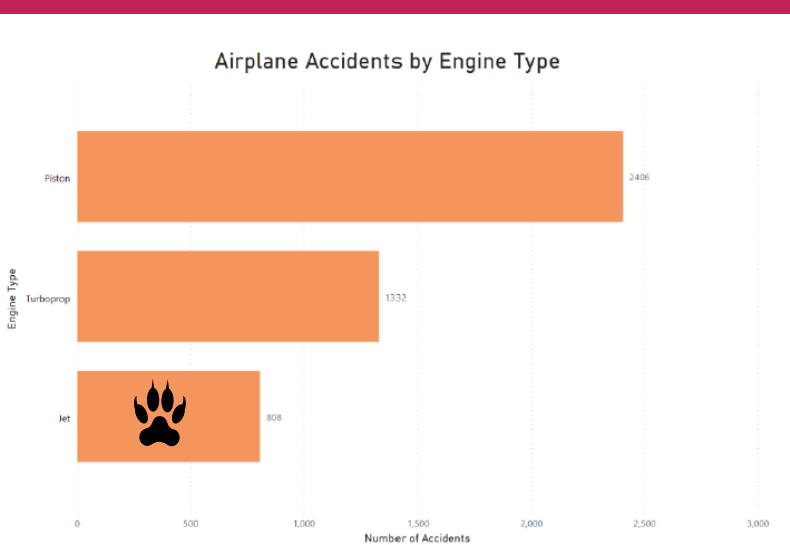

Since the 1940's, airplane accidents and accident fatalities show an overall downward trend.

WOLF AIRLINES PRIORITIZES YOUR SAFETY!

We execute training and safety measures throughout all flight phases.

Wolf Airlines only flies jet engines (top safety plane engine type).

We avoid the top 10 most dangerous jet models.
